Accounts Details

Please note that your account information is updated once daily and may not reflect payments made within the last 2 business days.

Installment plans are based on an individual surcharge account and not a combination of accounts. For example, if you want to enter into an installment plan and have three separate surcharge accounts, then each account will require its own installment plan with its own payment amount.

If you choose to pay only the minimum amount owed, this will constitute your agreement with the requirements of the surcharge monthly installment plan. Depending on the amount you owe, you may have between 4 months and 36 months to complete the payment plan. If your surcharge was issued on or after **September 1, 2012**, the following options may be available:

- Single Surcharge Balances - \$249.99 and below (Up to 12 month plans)
- Single Surcharge Balances - \$250.00 to \$499.99 (Up to 24 month plans)
- Single Surcharge Balances - \$500 or more (Up to 36 month plans)

If you fail to submit a monthly payment by the due date and your driving privileges are suspended, you may re-enter an installment plan at any time and without penalty by submitting a single minimum monthly payment. The installment plan will be reinstated with the same due date and minimum monthly payment requirements you had originally. You may pay your remaining balance in full at any time during your installment plan, also without penalty.
